### Responsibilities of the Dominion Archivist.

- (2) Where the Central Micro-Film Unit of the Public Archives cannot provide suitable microfilm service to a department, taking into consideration economy and departmental program needs, the department may, in accordance with the Government Contracts Regulations, utilize commercial microfilm services on a service, rental or purchase basis.
- (3) No department shall destroy records or permit records to be removed from the ownership of the Government of Canada without the approval of the Dominion Archivist.

Advisory Council on Public Records.

9. (1) There shall be an Advisory Council on Public Records to which the Dominion Archivist may refer matters of policy and proposals for the destruction of records, whenever he considers that the experience of departments and the views of the academic community are specially relevant.

That Mr. W.S. Loughheed, owner of the said lands has agreed to transfer the site proper together with the area required for access right of way for the price and sum of \$550, subject to the condition that in the event the Crown no longer requires the said lands for a public purpose, the said lands will be reconveyed to Mr. Loughheed for the same sum of \$550 less costs of land reclamation; and

The Committee of the Privy Council have had before them a report dated 21st October, 1966, from the Minister of Industry representing:

That Treasury Board Minute 647573 dated November 10, 1965, authorized the R.C.M.P. to enter into several leases with Molstad and Company Limited, of Edmonton, Alberta, for detachment quarters to be constructed at various sites in the Province of Alberta, including one at Mayerthorpe;

That a certain parcel of land at Mayerthorpe, containing an area of approximately 16,800 square feet, was subsequently reported surplus to the requirements of the Crown for disposal in connection with the construction of the proposed detachment quarters and Order in Council P.C. 1965-2092 of 24th November, 1965, authorized the sale by Crown Assets Disposal Corporation of the said land and the issuance of Letters Patent transferring title to Molstad and Company Limited for the sum of \$1,125;

That it is considered that the sale as aforesaid is in the public interest;

The Committee, therefore, on the recommendation of the Minister of Industry, pursuant to the Public Lands Grants Act and the Surplus Crown Assets Act, advise that Your Excellency may be pleased hereby

The Committee of the Privy Council have had before them a report dated 21st October, 1966, from the Minister of Veterans Affairs, representing:

That subsection (1) of section 24 of the Veterans Land Regulations provides that the Director may not approve financial assistance on behalf of a veteran qualified as a small holder on an area of land containing less than one-half of an acre in area, but at the discretion of the Director such area may be reduced by one-half of one per cent and paragraph (a) of subsection (2) of the said section 24 permits an exception to be made in respect of a veteran in receipt of a disability pension of 50% or greater;

That veteran Robert Hyde Moffatt suffers from arthritis of both hips as a result of which his disability has been assessed at 50% but in respect of which he is not in receipt of a disability pension;

The Committee of the Privy Council have had before them a report dated 19th October, 1966, from the Minister of Veterans Affairs, representing:

That section 23 of the Veterans' Land Act authorizes the Director with the approval of the Governor in Council to sell any property that cannot or ought not to be sold to a veteran as to price or terms on such terms as the Governor in Council may approve;

That with effect the 1st of March, 1957, qualified veteran Herbert Earl Lacey agreed pursuant to subsection (1) of sections 10 and 65 of the said Act to purchase a 10 acre property being part of the Lefferty Tract, Township of Brantford, County of Brant, Province of Ontario;

That in November 1959 due to the ill health of his daughter who was suffering from a facial paralysis veteran Herbert Earl Lacey pursuant to section 11 of the Veterans' Land Act requested a continued establishment on another property located closer to a school to enable his daughter on medical advice to return home for lunch;

That notwithstanding approval in principle of such a continued establishment veteran Herbert Earl Lacey was unable to find a property that would meet the minimum acreage requirements, then two acres but he did locate a property containing approximately one-half acre and since it was not suitable for purposes of the Veterans' Land Act he terminated his contract by repayment of his loan and accepted a Transfer of Title to the aforesaid property. He purchased the half-acre property on a private purchase basis;

That the account of Herbert Earl Lacey was terminated as of the 20th of November, 1959;

That by Order in Council P.C. 1961-832 dated the 8th June, 1961 subsection (1) of section 24 of the Veterans' Land Regulations was amended to provide that the Director could approve financial assistance in the establishment of a veteran as a small holder on a parcel of land containing one-half acre in area;

That veteran Herbert Earl Lacey now requests that the Director approve financial assistance to discharge encumbrances against the property he is now privately purchasing and approve money for repairs thereto and in addition repay his re-establishment credit of \$472.50 under section 25B of the Veterans' Land Act;

That in view of the circumstances necessitating the sale of the first property and since the property to which the veteran moved at that time was acceptable and met the requirements of section 24 of the Veterans' Land Regulations as amended in 1961 it is deemed advisable to provide veteran Herbert Earl Lacey with further financial assistance at this time; and

The cost to the Director of the property will be \$9,039.75.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 25 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve sale to Herbert Earl Lacey of a property containing approximately one-half of an acre in area described as part of Lot 6, 1st Range West of Mount Pleasant Road, Township of Brantford, County of Brant, Province of Ontario, on the following payment basis: Cash Deposit: \$600; Balance Payable: \$7,039.75 over a repayment period not to exceed 30 years; Rate of Interest: 3% per annum against \$4,000, 5% per annum against \$3,039.75; Grant: \$1,400 conditional upon compliance with an agreement containing terms of sale consistent with the provisions of Parts I and III of the Veterans' Land Act.
